

VPS-SERIES

Wallmounted fullrange speakers for architectural installations

APPLICATIONS

- ▶ Conference centers
- ▶ Nightclubs
- ▶ Lounges and bars
- ▶ Restaurants
- ▶ churches
- ▶ Cruise ships
- ▶ Retail and shops
- ▶ Malls
- ▶ Leisure facilities and spaa
- ▶ Pools and swimming facilities
- ▶ Theme parks
- ▶ Training facilities
- ▶ Recorded music,
- ▶ Acoustic performance
- ▶ Speech

INTRODUCTION

The VPS SERIES, a complete range of high quality 2-way fullrange installation speakers, VPS is short for Versatile Plastic Speakers, and that may be saying it all? A series of reliable speakers that fits everywhere, with their neutral design they blend in every possible installation, whether it being a bar or a restaurant, a shop or a mall, a conference room or a A/V room, even in a high quality home cinema.

There are four models of passive speakers that is available in black (B) or white (W), and one active version of the VPS602.

Each passive model has a built-in HI-Z 100V transformer with a select-switch in the back for easy setting different power-taps, they can also be run in LO-Z 8 ohm mode. When we started with the developing and designing process, we did not want to do "yet another plastic speaker" so very hard work was put into choosing components, designing crossovers and looking into the need and demand in these kind of speakers, talking to installers, project managers, architects and sound engineers, and after endless hours of testing and evaluating, both in our testing facility, our lab, and in numerous real installation environments the VPS series are born, after thousands upon thousands of VPS speakers sold, we can look back on all the work put into the series and say "it was worth it!"

With a neutral and clear sound, low distortion and wide frequency response the VPS-series are your perfect installation partner!

Developed to satisfy the demand in a series of fullrange installation speakers with a two-way design for speech and recorded music. They are easy to install and have a well balanced sound. The PROPHON VPS-series has been designed for use in restaurants, bars, shops, hospitals, schools, A/V-rooms, conference centres, malls, cruise-ships, and other leisure facilities, where design, sound quality and flexibility are essential.

There are several different mounting hardwares available for wall-mounting, included are the 'U'-brackets.

MODEL	VP402	VPS502	VPS602	VPS602A	VPS802
Design	2-way passive (VPS602A - active) fullrange installation speakers				
Components	4"/1" tweeter	5"/1" tweeter	6,5"/1" tweeter	6,5"/1" tweeter	8"/1" tweeter
Power Handling cont.	80W	100W	120W	120W	160W
Frequency response (-6dB)	100Hz - 19kHz	70Hz - 19kHz	65Hz - 19kHz	80Hz - 19kHz	60Hz - 19kHz
Sensitivity 2Pi	89dB	90dB	91dB	89dB	90dB
Nominal Impedance	8 ohm	8 ohm	8 ohm	8 ohm	8 ohm
HI-Z 100V transformer power taps	2W/4W/8W/16W	4W/8W/16W/30W	4W/8W/16W/35W	Active, 2x30W amplifiers	5W/10W/20W/40W
Dispersion	100° nominal	100° nominal	100° nominal	100° nominal	100° nominal
Dimensions HxWxD	210x160x135	240x180x145	290x215x165	290x215x165	350x270x180
